

# ABOUT

Are you on the lookout for [roofing contractors near me](#)? We're [Wegner Roofing & Solar](#). If you've got a roof-related problem, we want to be your solution. Whether it's a full roof replacement or repair, storm damage, siding issues, or installing solar panels on your home or business, we're here to help. We know that dealing with issues like storm damage can be stressful and overwhelming—and that's why we offer you our expertise when it comes to working with insurance adjusters and getting the repairs you need in a timely manner. Our team of professional roofing experts is all licensed and insured, so you can rest assured that your roof is in good hands. We only offer top-of-the-line products for our customers in Sioux Falls because we believe that's what you deserve: high-quality products and exceptional service. And to make sure you're happy with our work? We offer lifetime warranties on all of our products. That's right: lifetime warranties on all of our products. Because we believe in standing behind the work we do, and we're confident you'll be satisfied with the results!
