

Why didn't the window look out over the  
 side yard and I love nothing more  
 than to open my windows in fall, even  
 I have removed the screens from the  
 windows and shout.

However check - check - check - check!  
 Check (The Spudley) &

And the ladies come skipping and  
 running at the same time their feet  
 clattering over the fallen leaves, in a  
 frenzied flock toward the window. They  
 wait underneath for the appearance  
 of the bucket or a handful of scraps  
 and eagerly peck up the piece. If  
 the food is particularly wonderful  
 popcorn, bread, or cheese they scratch  
 up pieces in their beaks and run and  
 call to protest and enjoy their feast  
 out of reach of their greedy sisters. They  
 can't run and eat the larger bits at the  
 same time, so it's hilarious to watch  
 them tear around the yard, an entire  
 strawberry patch in their beaks, already

Wake LOVE  
 Why??

---

*It will describe to you in detail the topic of the PTE Write Essay and tell you what type of essay response you must provide, such as agreeing or disagreeing. You will find a writing space below that, where you will type your response. You can use the copy, paste, and cut buttons to move some text in your response from one place to another, but you cannot use the mouse or keyboard shortcuts to copy and paste. In the bottom column, you will find the total number of words you have typed for your PTE writing essay response. The PTE Write Essay is a complex task that is both to write and to evaluate, so the algorithm uses seven different scoring parameters to mark your essay. If you need any advice, you can use our PTE essay template.*

*As for the PTE writing essay, you can earn a maximum of 3 points if your response addresses all aspects of the topic, including details, examples, and explanations. As stated in the PTE, in order to earn maximum content points, you need to respond in a way that is logical, on topic, and supported by examples, details, and explanations. Providing you with a PTE essay template is a good idea, since it's well developed and highly coherent. According to the PTE, a well-developed response provides a logical organization pattern, connects ideas well, and also explains how they relate to one another. Therefore, if you want the maximum score for this scoring area, you should include your response in paragraphs with a strong introduction, body, and conclusion. Using our PTE essay template, you will guarantee that your essay will meet the test's development, structure, and coherence criteria.*
