# Annuities

Annuities are contracts between you and an insurance company that offer future income in exchange for current assets. Depending on the type of annuity you choose, you can earn a fixed rate every year, an indexed return, or opt for variable returns by participating in professionally managed portfolios of stocks, bonds and other securities.

## Life Insurance

# Life-Insurance

Life insurance is a crucial element of comprehensive financial planning, offering multifaceted benefits for individuals. It serves as a cornerstone for financial security, safeguarding one's family in the event of unexpected events. Additionally, life insurance can be harnessed for its inherent tax advantages, enabling the creation of a tax-free income stream during retirement.
